

2. What plain language is

Example: Sirens website FAQ

What will the money be used for?

These funds will be used for a variety of reasons, such as supplies for game days, special member-only events, merchandise, and additional operating costs. All of these funds will be reinvested back into the Sirens Supporters Group for the benefit of its members or be donated to agreed upon organizations. The Sirens Leadership team is comprised of unpaid volunteers and will not be paid from these funds.

Where does my money go?

- Game day supplies
- Members-only events
- Merchandise
- Operating costs
- Donations

San Diego Sirens is entirely run by volunteers.

2. What plain language is

It's not “dumbing down”

- Even readers who understand complex language would rather read plain language.
- It's easier for everyone.
