

Solutions

- Worked with DGS for moderator access
- No email addresses in the export
- Anonymous, machine-generated usernames
- Geofencing to US only
- Used Coda to track moderation actions
- Data reports to plan moderator and invitation schedule

Surprises

- People editing or after they had been approved or deleting comments after we imported
- People were kind and thoughtful!
 - Total number of comments: 1349
 - Approved comments: 1295 (96%)
 - Removed comments: 54 (4%)
 - Total number of commenters: 291
