Civil Service Race & Ethnicity by Salary Range

Civil Service Race & Ethnicity by Salary Range

Black and Latino families are overrepresented among lowest-income families

Public service

- **The public sector is the single most important source of employment for African Americans.**
- During 2008-2010, 21.2% of all Black workers are public employees, compared with 16.3% of non-Black workers. Both before and after the onset of the Great Recession, African Americans were **30% more likely than other workers to be employed in the public sector.**
- The public sector is also a critical source of decent-paying jobs for Black Americans. For both men and women, **the median wage earned by Black employees is significantly higher in the public sector than in other industries.**

laborcenter.berkeley.edu/black-workers-and-the-public-sector (2011)

“The worker must work for the glory of his handiwork, not simply for pay; the thinker must think for truth, not for fame.”

— **W.E.B. Du Bois**
